**“Every Day Counts”**

If your child is absent from school we must have a note to explain the absence. This note is required by the Department for our records.  
 Assembly this week will be run by the School Leaders

**Swimming Notes**

Swimming notes have been sent home for all students. We have also recently sent home more notes for those students who said they had lost their original one. It is vital for our planning that these notes are returned to school well before your child is scheduled for swimming.

If your child will not be participating, please ensure you contact the school. We are presuming at this stage that all students will be participating in the program.

**Grade 5 and 6 swimming notes must be returned to school no later than next Wednesday 11th September.**

**Mini Olympics**

Next Tuesday Mrs. Beckmann and Mr. Warn will be taking 24 students to the Mini Olympics in Mildura. They will compete in many track and field events that they qualified for through our school athletics earlier this term. We know that they will give their all and will represent our school with pride. The results from the day will be published in next week’s newsletter. Good luck to all students competing.
