Class Awards:

Prep: Billie Storach for being a brave learner this week. It was fantastic to watch you share your narrative using your story map with the class, even though you felt a little bit nervous. We can't wait to hear your story when it is finished! We are so proud of you Billie. Well done!

Grade 1: Kody Trinne for being a BRAVE learner in our class this week. You have been showing that even when a task has seemed a bit challenging you are still willing to take a risk and have a go. Keep up the excellent effort Kody!

Grade 2: Sonny Glen for being a self-motivated learner. Sonny, we have noticed how quickly you organise yourself for your learning and your willingness to help others. You always display a positive attitude and a strong commitment to give your best effort in everything you do. Keep up the super effort!

Grade 3/4: Denver Moralla for being a REFLECTIVE learner. You were able to read through your writing and reflect on what you had done well and where you need to go to next in your learning. You recognised that you were being reflective when you said "It's like I'm being my own teacher!" Keep it up Denver!

Grade 4/5: Makayla Searle for being a self-motivated learner. Makayla, you have been working extremely hard this week. It has been great to see you remaining focussed and applying the strategies taught to you. This has been particularly evident during Maths and Writing. Congratulations on such a fantastic week. You should be extremely proud!

Grade 5/6: Josh Smith for your outstanding demonstration of reflectiveness, particularly in your writing. Your dedication to receiving and applying feedback from your peers has been truly commendable and sets a remarkable example for your classmates. Your willingness to reflect on your writing, accept constructive criticism and actively seek ways to showcase your maturity and commitment to excellence. Well done Josh. Keep up the super effort!

Dress Up Day last Friday

Last Friday the Junior School Council had a day to celebrate the success of one of our Grade 5 students. Jai Lawson-Chapman drives go-carts in the junior division and he recently competed in the Australian Titles in Queensland. Jai finished 3rd in the Victorian Championships which enabled him to qualify for the Australian Championships.

In Queensland Jai finished 12th which is a fantastic accomplishment... 12th in the Country for his age division!!! The JSC wanted to support the family with a dress up day and gold coin donation. The students managed to raise \$180 which was donated directly to the family to support their racing expenses. The JSC members also spent a lunch time making some sweet treats; chocolate racing cars and green jelly cups (Jai's racing colours) to give to all the students.

Prep And Grade 1 Special Ladies—Celebrating Mother's Day.

Yesterday the students in Prep and Grade 1 invited the special ladies in their lives to spend the afternoon with them at school. It was an early Mother's Day celebration. There were special tasty treats, pampering and some quality time spent together. Thank you to everyone who came along for the afternoon.
