Return To School

Next Tuesday 26th May we will see the return to school for the students in Prep, Grade 1 and Grade 2. We understand that we have a Grade 2/3 class, but the Grade 2 students will return to school and the Grade 3 students will continue with remote learning for 2 more weeks.

It has been a long time coming but on Tuesday they will re-enter the classroom and get to catch up with their teachers and mates for the first time since March.

The time spent learning at home has certainly been very strange. I am sure there have been some positives to come from the experience though. Getting to spend some quality time with your children is something we should cherish, even though it was completing school work. It is an experience we will most likely never have again.

Thank you so much to all the parents for your hard work during the remote learning. Your efforts have been outstanding and from the schools point of view, we have been very impressed.

Pupil Free Day

Next Monday is a pupil free day, set by DET. Therefore, students cannot come to school on that day. Also, students do not need to complete work at home on that day. Consider it a day off. If work has been set you are welcome to complete it if you like, but it is not compulsory to do so. Also, teachers will not be contactable on Monday as they will be working hard planning for return to school.

Student Workbook Collection

Grade 3 to 6 student workbooks (marked) from the pervious block of work will be available for collection from school tomorrow (Friday 22nd May) between 8.30am and 11am.

The Prep, Grade 1 and Grade 2 books will be kept by the teachers. The current work being completed by Prep to 2 will come back to school with the students next Tuesday, when they return.

Student Attendance At School—Grade 3-6

Please remember to complete the survey if your child will be attending school next week. As it has been for all this term, if your child can work from home then this is what they must do. If you have a child returning to school in Prep, Gr 1 or Gr 2, then this does not mean that older siblings can come to school. They must continue to learn from home. Remote learning will continue to be provided.

Students Of The Week - Friday 8th May

Grade Prep: Piper Marr And Her Family for the effort that you have been putting in to your remote learning. Piper, you have been completing all of the learning tasks that we have sent home for you and have even been putting the extra effort in to do some work that your mum has found for you! Keep up the great attitude Piper!

Grade 1: Cooper Allford for working really hard on your remote learning. Your completed work has been very neat and organised and I love how you are challenging yourself on the tasks by giving more than one answer. It is great to see you checking in on our class hub and commenting on the blog. Keep up the excellent work Cooper!

Grade 2/3: Stephanie Senior for the great effort you have shown in your remote learning over the past few weeks. Stephanie, you have continued to be persistent on your learning tasks and been a regular contributor on our blog, sharing your thoughts and ideas with your peers! Keep up the fantastic work Stephanie, you should be very proud of your efforts.

Grade 3/4: Darcy Nystrom for the fantastic effort and commitment you are putting into completing your remote learning tasks. Darcy, you have continued to work extremely hard and challenge yourself, just like you would in the classroom. Well done Darcy, keep up the wonderful work!

Grade 4/5: Billy Vallender for working so hard to complete your remote learning tasks. You should be so proud of the effort you are putting in. It is great to see you trying your best and determined to make the most of your learning. Well done Billy, keep it up!

Grade 6: Kaidance Gowers for the dedication and commitment towards your learning. Kaidance, you are working extremely hard to complete your tasks to a high standard, just like you do in the classroom. You are also showing great leadership by giving assistance to our younger students at school. Keep up the great work!

Students Of The Week - Friday 15th May

Grade Prep: Xavier Beutel and His Family for your enthusiasm for remote learning at home. With the support of your grown-ups you have completed the set tasks and then looked for extra learning opportunities. Keep up this amazing effort Xavier. Well done.

Grade 1: Gurnidh Singh for your hard work during remote learning. You are showing organisation and putting effort into your tasks—these are two really important work habits to have. Well done Gurnidh, I am very proud of you. Keep up the excellent work!

Grade 2/3: Donnie Thompson for the brilliant effort you have shown in your remote learning this week. Donnie, you have been persistent in all areas of your learning and made sure you have continued to be active on our class blog by sharing your thoughts and staying connected with your peers. Wonderful work Donnie and keep up the great effort!

Grade 3/4: Dustan Newey for consistently completing your work to a high standard throughout this time of remote learning. It has been wonderful to see you working so hard and maintaining your high standards Dustan. Keep up the terrific effort!

Grade 4/5: Ajaih Birthisel and Gran for both of you doing an amazing team effort throughout both cycles of flexible remote learning. You put in so much effort to each of your tasks and have completed all learning to a high standard. You should be very proud of yourselves. Keep up the terrific effort!

Grade 6: Romy Fletcher for the enthusiasm and dedication you have shown towards your learning. Romy, we have noticed how hard you have been working on your remote learning. You are completing all set tasks, applying feedback and asking questions to ensure you do your best. Keep up the fantastic work.

Have Some Fun

This Friday is the last day of Remote learning for the Prep to Grade 2 students so therefore it has been officially renamed 'Funky Fri-yay'. It has been designed to have some fun!!!! Some ideas have been listed on the flier that you would have received in your latest home learning packs. To get you in the dancing mood there will be a link attached to Friday's blogs that will provide you with some funky music to dance to. Go crazy and celebrate the final day of learning for some students. For those in Grades 3 to 6, just have some fun too!!!! Send through any photos to Mr Warn via email to:

This Friday (22nd May) will be our last day of remote learning as a whole school.

To commemorate and celebrate this, we thought it might be nice to have a bit of fun! So, we have re-named this Friday...

FUNKY FRI-YAY!

Here are some ways you could join us to celebrate Funky FRI-YAY at home:

- Change out of your PJs and dress up in your funkier outfit!
- Gel, tease, blow-dry, crimp or simply go crazy with your hair!
- Enjoy a funky playlist put together by the Staff to listen to on the day!
- Learn a few funky dances using the tutorials on your hub!
- Hold a family disco in your lounge room!
- Get out the broom and hold a limbo tournament in your back yard!
- Facetime a friend and have a lip sync battle!
- Have a dance off with your dad!
- But most of all....just have some fun!!!

We would love to see you and your family celebrate FRI-YAY!
Send in your pictures to warn.craig.a@edumail.vic.gov.au

Welcome Mrs. Earl

This week Mrs. Earl started work at RCEPS. She has spent a couple of days working through how we do things at our school. Next week she will have the chance to start teaching the Preps. She is so looking forward to getting to know all the students and can't wait to start working with them. Bronte will be out the front of the school at the end of Wednesday, Thursday and Friday next week so parents of Preps please introduce yourself. Starting at a new school can always be a bit overwhelming, but I know our community will make her feel very welcome.
