“Every Day Counts”

If your child is absent from school we must have a note, phone call or you can also enter the reason directly onto COMPASS to explain the absence. This is required by the Department for our records.

Contact School Council: rceps.schoolcouncil@gmail.com

Assembly this week will be run by Gr 4/5

Enrol Now

Enrolments are now being taken for 2025. If you have a child (or know of someone who does) who will be starting school in 2025, enrolments are now being taken. We are looking to have a good idea of students numbers of 2025 by the end of this term.

Enrolments are now being taken for 2025

Please collect an enrolment form from the school office.

We are more than happy to offer individual tours of our school. If you know someone who would like to tour our school, please ask them to ring the school and we will find a time that works.

Individual guided tours of our school are available

Hard Copy Of Mid Year Reports

A note was sent home with all students asking if parents would like a hard copy of their child’s mid year report. We are trying to reduce the number of reports we print as the reports will be live on COMPASS.

If you would like a hard copy, please fill out and return the form to school no later than Friday 21st June.

Please Support Grade 4/5 Maths

In the coming week or so, the students in Grade 4/5 will be asking our community for some help with their maths.

The students are beginning an investigation into the diversity of our school community. They will investigate how many different cultures and family ethnic backgrounds make up our community. At the moment, they are working out what type of questions they need to ask to find the information they are looking for.

So, when a note/letter comes home from the Grade 4/5 class asking for information about the background of your family, please complete it to support their learning.

Once the data has been collated, the students will be using the information to draw more attention to our diversity and celebrate our differences. They are not quite sure how this will happen yet as they are spending their time with the question development.

Fun Sock—Pie Day—Tomorrow

The Junior School Council are holding a Fun Sock and Pie Day on Friday 14th June. Students are invited to wear casual dress, but with a focus on some *fun socks*.

The JSC will put the pie orders together on the day and hand them out to the students.

**Orders have already been placed with the bakery.
No late orders will be accepted!!**

Normal bakery orders will not be available tomorrow. The pie orders have taken the place of the normal bakery orders for this week.

Fun Sock Pie-Day Friday

When: Friday 14th of June

What to wear: Casual clothes and your best fun socks

What to bring: Gold coin donation
(to go towards more outdoor play equipment)

Meal deal: Pies or Sausage rolls

Note: No normal bakery orders, meal deal only.

JUNIOR HEAT 2024/2025 TRYOUT REGISTRATION NOW OPEN

The Garraway Developments Junior Heat Program gives young players from ages 10 - 17 (Age Groups Under 12 - Under 18) an opportunity to develop their game to the next level.

The program, delivered October - April through a combination of weekly trainings/scrimmages and intra & interstate travel offers athletes the chance to compete against the best and brightest from around Victoria.

The program offers Basketball Victoria accredited level coaching and is the local gateway into state representative pathways and beyond.

It's fun, enjoyable, challenging program, and a fantastic way to develop as a basketball player!

For full information and to register www.mildurabasketballassociation.com.au/juniorheat

Registrations Close: Wednesday 26th June, 1:00pm.

The poster for Junior Heat Tryouts Season 2024/25 features the logos for GD Garraway Developments and Mildura Heat. It lists target athletes as ballers wanting to take their game to the next level. The tryout dates are: #1 Sunday 7 July - ALL, #2 Sunday 14 July - ALL, #3 Sunday 21 July - U16/U18, and #3 Sunday 28 July - U12/U14. The venue is Ausloans Mildura Hothouse, 50-52 Eighth St, Mildura. The cost is \$30.00 per participant. A red banner says 'REGISTRATION OPEN'. At the bottom, it says 'For further information and to register go to: www.mildurabasketballassociation.com.au/juniorheat'.

School Uniforms

Winter is creeping up and the cold mornings are upon us. Jumper weather is here.

At the moment we are seeing a number of students wearing non-school uniform jumpers to school. These jumpers are not part of our uniform. Parents, we have school jumpers for sale in the office. Please come in and we can help you to make a purchase..

Being in school uniform is an important part of being at school. Feeling connected to your school is also very important and uniforms help to build this connection.

Also, we are finding a number of school uniform items unnamed. This makes it very difficult to find the owners. Parents, please ensure all items of clothing are correctly and clearly named.

We also have school beanies for sale (\$14) to keep ears warm on those cold winter mornings.

Out Of School Hours Care

Good afternoon Families,

We have had another great week at After School Care. This week the Children enjoyed some play time outside. We have had a lot of children showing me tricks they can do on the spiderweb (hanging upside down, touching the shade sails or enjoying themselves playing a colour tag game). This weeks Theme on Wednesday was "**Basketball calls**". Harry T showed initiative by volunteering to hide our basketball themed scavenger hunt items to ensure that his peers would have fun trying to find them.

We also had a short Basketball game and learned some new Basketball tricks. Inside activities for this theme were created by Jayden N. Those activities ranged from Basketball colouring ins to Hama beads creations, Basketball Bingo as well as a Basketball Memory game.

Our program reflects the children's personal interests, and it is fantastic to see them excited about being involved in the planning. As the days are getting colder, our outside time will be a bit limited and more inside activities will be planned.

Stay tuned for our next theme next Wednesday 19th of June. A Theme that was also requested by one of our attending students (Thomas S.) : "**Bring the Dinosaurs to life**".

Please be advised that we will have a visit from our regulatory authority / Department of Education next **Monday 17th of June** where we will be able to show off all the great things we do at After School Care. Should you have any questions regarding this visit, please feel free to contact myself.

Thank you, Alina
