“Every Day Counts”

If your child is absent from school we must be informed to explain the absence. This can be done via note, telephone or placed directly into COMPASS.

Broad Brimmed Hats

Broad brimmed hats are compulsory in Term 4. Students will not be able to play in the yard at recess or lunch time if they do not have their hat. Please ensure all hats are clearly named.

School hats are available for purchase from the school office.

Return Student First Aid—Asthma Puffers

Many students took first aid devices home at the start of remote learning. We now require all medications and asthma puffers to be labelled and returned to school.

Prep Box City

This week the Prep students have put together their box city that they created during remote learning. It has come together so well! It provided rich learning opportunities to use the city to explore ordinal numbers, position and location as well as people/helpers within our communities. Thank you so much to all the students and parents for building such a creative learning opportunity.

New Basketball/Netball Court Surfacing

In approximately 3 weeks we are having the basketball court area resurfaced with synthetic grass. As you can see from the image below, the area will look significantly different to the current courts. After consultation with students, we have decided to have just one court (basketball and netball) so that we could create some room for 2 mini tennis courts and 4 down ball courts. The students felt that these courts would create opportunities for more students to play.

The new surface will take up the area within the black fence line. It is a large area that will create a whole different feel to the play space for the students.

We need to thank the School Council for approving and funding this project. It will be a fantastic asset to the school and the students.

Lunch Orders

Student lunch orders have resumed as normal on **Tuesday** and **Friday**.

TRAINING Thursdays @4pm Red Cliffs Football Ground nets

The Red Cliffs Junior Cricket Club are looking for local juniors to join the club and participate in their cricket competition. With all the restrictions still in place for indoor sports, it is great to see outdoor sports, such as cricket, still able to run. The kids have missed out on a lot this year (in terms of sports and activities) so this might be a chance for your child to try something different.

Why not give something new a go??

JUNIOR CRICKET

Play more shots, face more balls and take more wickets as you develop your skills through three levels of junior cricket.

JUNIOR CRICKET 1

AGES UNDER 10-11 | 2 HOURS

- Short, action-packed games played in under two hours.
- Smaller team sizes offer everyone more opportunities to bat, bowl and field.
- Play on a shorter pitch for more consistent ball delivery and skill development.
- A fun, welcoming and inclusive environment.
