Fun sock—Pie Day	Friday 14th June
School Council meeting	Wednesday 19th June—7.30am
Grade 3/4 choir—Eisteddfod	Thursday 20th June
Reports sent home/live on COMPASS	Friday 28th June
Last day Term 2—2.15pm dismissal	Friday 28th June

“Every Day Counts”

If your child is absent from school we must have a note, phone call or you can also enter the reason directly onto COMPASS to explain the absence. This is required by the Department for our records.

Contact School Council: rceps.schoolcouncil@gmail.com

There is no assembly this week

Enrol Now

Enrolments are now being taken for 2025. If you have a child (or know of someone who does) who will be starting school in 2025, enrolments are now being taken. We are looking to have a good idea of students numbers of 2025 by the end of this term.

Enrolments are now being taken for 2025

Please collect an enrolment form from the school office.

We are more than happy to offer individual tours of our school. If you know someone who would like to tour our school, please ask them to ring the school and we will find a time that works.

Individual guided tours of our school are available

Hard Copy Of Mid Year Reports

Last week a note was sent home with all students asking if parents would like a hard copy of their child’s mid year report. We are trying to reduce the number of reports we print as the reports will be live on COMPASS.

If you would like a hard copy, please fill out and return the form to school no later than Friday 21st June.

Class Awards:

Prep: Norah Marr for being self-motivated and an active learner this week. It has been fantastic to see you always ready to learn when completing tasks at your table and during our reading group time. You have also been a fantastic role model when lining up to come into the classroom at recess and lunch, as you enter the classroom calmly quickly put your things away and quietly sit on the floor. We are so lucky to have you in our class! Keep up the great work Norah!

Grade 1: Makyah Dowdy for being an active learner in our maths lessons this week.. We love hearing you explain your thinking out loud as you work through and solve problems. You are also a brave learner in maths and you show this by having a go at challenging tasks. Keep up the fantastic work Makyah!

Grade 2: Jake Nystrom for being a self-motivated learner. Jake, you have shown great dedication by getting yourself organised quickly for learning and always giving your best effort. You have made sure you are focussed during class instructions and have been a great role model for your classmates. Keep up the amazing efforts! **Miles Hurford** for being an active learner. Miles, you have been working extremely hard on your writing and have shared wonderful ideas and suggestions in our class discussions. You have listened carefully to feedback given and have applied these suggestions to your work. Well done Miles you should be very proud!

Grade 3/4: Baylea Smith for the bravery that you have shown with your reading. You have displayed this bravery by having a go at reading and understanding difficult tests, whilst always maintaining a positive attitude! Well done Baylea!

Grade 4/5: Henry Marinucci for being a brave learner. Henry, we have noticed you stepping out of your comfort zone this week, especially during Mathematics. During lessons related to addition you have had a go at strategies that are outside of your comfort zone and learnt from your mistakes. Congratulations on such a fantastic week. You should be extremely proud of yourself!

Grade 5/6: Addison Eagles for your exceptional demonstration of self-motivation, particularly in your free verse poetry writing! Your dedication to giving your best effort on all tasks and your preparation for learning time have been truly commendable. Your commitment to excellence has been evident in the way you have approached your poetry unit, showing persistence and determination. Your ability to stay organised and prepared showcases your proactive mindset and your dedication to making the most of your learning opportunities. Well done Addison!

Fun Sock—Pie Day

The Junior School Council are holding a Fun Sock and Pie Day on Friday 14th June. Students are invited to wear casual dress, but with a focus on some *fun socks*.

An order form was sent home with students asking for specific bakery orders for the day. Normal lunch orders from the bakery will not be operating on the 14th June, only orders from the Fun Sock-Pie Day order form.

We need the orders and money in as soon as possible so that we can collate them and give the bakery plenty of time to fill the orders.

The JSC will put the pie orders together on the day and hand them out to the students.

When: Friday 14th of June

What to wear: Casual clothes and your best fun socks

What to bring: Gold coin donation
(to go towards more outdoor play equipment)

Meal deal: Pies or Sausage rolls

Note: No normal bakery orders, meal deal only.

Junior School Council

The JSC representatives had a meeting earlier in the year and the topic of rubbish in the yard was raised. The students discussed what they could do to reduce the amount of rubbish being left around and they decided to put signs around the school to show where students are not to take their food. There are 4 signs strategically placed to alert students as to where they must be to finish their food. This should reduce the rubbish significantly.

Well done to the members of the Junior School Council for recognising the problem and then doing something to solve it.

Thank you to Francis Robb for coming in yesterday morning and putting the signs up. The students appreciate your support.

School Uniforms

Winter is creeping up and the cold mornings are upon us. Jumper weather is here.

At the moment we are seeing a number of students wearing non-school uniform jumpers to school. These jumpers are not part of our uniform. Parents, we have school jumpers for sale in the office. Please come in and we can help you to make a purchase..

Being in school uniform is an important part of being at school. Feeling connected to your school is also very important and uniforms help to build this connection.

Also, we are finding a number of school uniform items unnamed. This makes it very difficult to find the owners. Parents, please ensure all items of clothing are correctly and clearly named.

We also have school beanies for sale (\$14) to keep ears warm on those cold winter mornings.

Out Of School Hours Care

Good Afternoon Families,

What a great week it has been so far at After School Care. Monday and Tuesday this week we spent majority of our time outside. Students are still very much into playing tennis at the moment and we will extend on that interest next week by providing Tennis Match Championships (with Certificates of Achievements at the end).

We also spend some time on the playgrounds and sandpit. Whether it was creating the most unique sand volcanos or hanging upside down on the spiderweb, students are enjoying their outdoor time and don't seem to feel the cold.

This Wednesday we kicked off with our first ever theme afternoon "Welcome to the Zoo" and what a hit this session has been. Students engaged in Zoo themed activities. Most popular was the Zoo animal scavenger hunt. Students had to find the escaped Zoo animals that were hiding around the school. The cheeky Zebra was hanging on the spiderweb, the crocodile was watching the sandpit, the giraffe was trying to eat the Preps snow peas in the veggie garden and the elephant hanging from the monkey bars. Just to name a few ☐

Next week's theme day will be held on Wednesday 12/06/2024 and it will be *"Basketball Calls"* as suggested by one of our attending students. Come and join the fun. You are welcome to bring your child along that afternoon as it will be our "Open Day" where you can come and have a look at our program.

Christie Centre Inc. presents a Community Event

The Christie Centre Inc. is CELEBRATING 70 YEARS

BIG BALLOON BASH 'NIGHT GLOW' 2024
