Breakfast Club Volunteers

We are searching for parent volunteers to assist with Breakfast Club. The club provides students with the opportunity to have breakfast in the morning before they start school. It is open from 8.30-8.55am every school day. We need volunteers for the club to operate. Parents take responsibility for serving the students and cleaning the dishes from Monday to Friday.

If you can regularly help out on any morning, please let Bonney know that you can help or you can also let staff in the office know as well.. Also, if you cannot commit every week to a particular morning, you are more than welcome to drop in and give a hand. If you have dropped your child off at school and have a spare 15 minutes, we would really appreciate your assistance.

We run the club for the kids, but it cannot function without help from parents.

Any parents who have helped out in the past are encouraged to help again, but we would also love to have some new parents come along.

If you have any question please do not hesitate to come in and talk to any of the staff, particularly Bonney or myself

Physical Education—Gymnastics

Over the past 2 weeks the students from Grades 1 to 6 have been participating in Gymnastic sessions at the Mildura Gymnastics Club in Red Cliffs. The students have had the opportunity to be coached by qualified gymnastic coaches and have experienced many aspects of gymnastics.

All the students had a fantastic time and loved trying something new. Many of the students said that they would like to do gymnastics out of school so this is something parents may like to investigate further.

Thank you Mr. Tuohy for organising these sessions. The last of the sessions will be held at school next week, which will round off the gymnastics unit of work in PE.
