THE WEEKLY NEWS

“Every Day Counts”

If your child is absent from school we must have a note to explain the absence. This note is required by the Department for our records. You can also record the absence directly onto COMPASS.

2021 Enrolments

If you have a child who will be starting Prep in 2021 we are now accepting enrolments. If you are aware of any students starting Prep in 2021, could you also inform their parents that we are taking enrolments. Please contact the office to arrange a tour of the school. We are happy to accommodate tours at any time but please ensure you ring to make an appointment.

We have already had new families make contact with the school and it has been wonderful showing them around.

Crazy Hair Day

Crazy Dress And Crazy Hair Day—TOMORROW

It's been a crazy term so why not finish it off with a crazy hair/dress day at school.

Students can come dressed in crazy clothes and crazy hair/wigs. It will be nice to acknowledge the crazy term coming to an end.

There is **no cost** for the day. It is just about having some fun and sending off the crazy Term 2 in style.

The Grade 6 students will also be running tabloid sports with all the students.....just for some fun. This will be held from 12.30-1.30.

Students Of The Week

Grade Prep: James Caldwell for your outstanding effort during our Cold Write this week.

James, it was wonderful to see you tackle your writing task with so much persistence and determination. We are super proud of you! Keep up the great work!

Grade 1: Benjamin Stone for your success in achieving our classroom goal of making good learning choices during class discussions. You have kept your eyes on the person speaking and have waited your turn to share your thinking. Well done and keep up the great work!

Grade 2/3: Ryan Alchin for the amazing effort you have shown in your writing this week. Ryan, you have been persistent with each of your writing tasks, which has helped you to build up your writing stamina. You have also continued to use different WOW words and added more detail during your editing and revising to up level your writing. Well done Ryan and keep up the wonderful writing in the future.

Grade 3/4: Isabella Norris for having confidence in everything you do. Isabella, you always make sure you are focussing on your learning when working independently and you are committed to completing your tasks to a high standard. You are also quick to assist any of your classmates who need it. Well done Isabella and keep up the amazing work.

Grade 4/5: Lakiesha Thomas for the effort you put into your Cold Write this week. It was fantastic to see you focussed on your work and trying so hard to produce your exposition on bedtimes for kids. It was also wonderful to see you being proud of yourself when you had finished, because you knew you had worked hard and put your best effort in. Well done Lakiesha.

Grade 6: Kooper Bush for all the hard work you have been demonstrating. Kooper, this week we have noticed you putting in your best effort across a variety of learning tasks. We have also noticed you stepping outside of your comfort zone both in and out of the classroom. Well done and keep up the great work.

Return Student First Aid—Asthma Puffers

Many students took first aid devices home at the start of remote learning. We now require all medications and asthma puffers to be labelled and returned to school.

CSEF

Anyone who has received a new health care card after Term 1 is eligible for CSEF funding. If this relates to you then you need to come into the office and complete an application form which entitles you to funds that can be used for school related expenses.

Naming Personal Items

We are noticing a large number of lost property items that do not have names on them; lunch boxes, drink bottles and uniform items. If items are named then we can return them to the owners. Please ensure over the holidays that all personal items are clearly named ready for Term 3.

School Cross Country

On Tuesday we conducted our annual Cross Country, albeit without any training or parents to cheer the students on. It certainly felt lonely on the running tracks without the parents, but that is just the way things are at the moment.

The students did a great job. They ran hard and many certainly pushed themselves beyond what they thought they could achieve.

Congratulations to the following age group champions:

Book Club Delay

All Book Club orders were submitted 2 weeks ago but have so far failed to arrive. Scholastic were phoned on Wednesday and confirmed the order was still being packed. It looks unlikely that orders will arrive prior to the school holidays as our order comes from Sydney. We know that students are really keen to get their books but unfortunately it is out of our control.
