### “Every Day Counts”

With current restrictions in schools, we are not permitted to run assembly.

### Parent/Teacher/Student Conferences

As part of the student reporting process we will be conducting Parent/Teacher/Student conferences on the 18th and 19th August.

The meeting structure will involve all 3 participants and will provide an opportunity to discuss how your child is going as a learner. We will send out a list of possible questions you may like to have ready to ask your child’s teacher. In turn, the teachers will have particular topics that they would like to cover during the meeting.

There is a booking page on COMPASS so please ensure you find a time that suits.

*If you have not already made a booking can you please log onto COMPASS and do so at your earliest convenience.*

*If you are having problems logging in to COMPASS, please make sure you contact the school so that we can assist you.*

During the meetings you must wear a mask, check in using the QR code and ensure that you are not on the school site any longer than required. These are the requirements we must follow in order to meet the current restrictions.

### **Prep Enrolments For 2022**

We are now taking enrolments for Prep students for 2022. Parents are invited to ring the school and make a time for a personalised tour.

Parents wanting to collect an enrolment form can do so from the school office.

### **Athletics Sport Day**

On Wednesday 28<sup>th</sup> August we will be holding our annual Athletics Sports Day. It is very important that this day goes ahead for the students. Now we are back at school we can get it up and going.

The down side is that we will not be able to have parents attend the day. We usually ask for your assistance but unfortunately we cannot do that at the moment, nor can we invite you on site to come and watch. We must abide by the State Government restrictions that are currently in place. Of course this is not ideal and certainly not how we want to run the day, but it is a necessity at the moment.

Mr. Tuohy has adapted the timetable for the day to ensure it works with the staff who will run it. We will make sure that the students have the opportunity to shine and it will provide a path through to the Mini Olympics (provided that these can run) for the older students.

***Students are encouraged to come along dressed in the school house colours.***

**Continuation of FREE trial.**  
We are offering a continuation of free trial.

You must have completed and returned an enrolment form in order to attend.

**Come along and try the OSCH program.**

We have started!!!! This week we had a few students book in and spend some time at OSHC.

Come along and give it a go!!!*

## Book Week

On Friday 27th August, the students and staff will be participating in a celebration of books and reading. Students will spend the day in multi aged groups participating in a variety of reading/ book activities. The students are invited to dress up as a book character for the day. We will give the students a chance to 'model' their costumes to the rest of the students at a get together in the morning.

We encourage family members to come along to our assembly (if we are able to run them with parents) and join in with the reading festivities.

This is always a great day on our calendar and we look forward to seeing all the creativity in the students.

*The theme for this year's book week is:*

This will be a great opportunity for the students to let their hair down, dress up and have a laugh.
