New Classes For 2022

Today the students from Prep to Grade 5 spent 2 hours with their new classes for 2022. This time of the year is always a bit strange for some students as what they have known for the past 12 months will be different at the start of next year.

Red Cliffs Secondary College Awards Night

RCSC held their annual awards night during the week. Red Cliffs East PS community would like to congratulate the many past students who received awards during the night. Parents in attendance said that our past students were plentiful on the awards stage. Well done all.

Grade 6 Graduation Night

A huge congratulations to the Grade 6 students who graduated on Monday night. Our annual Graduation Ceremony was held at the Red Cliffs Football Netball social rooms. The highlight of the night were the wonderfully written speeches from the students. Each student spent many weeks crafting their speech so that it was a true reflection of their journey through primary school. They were so wonderful to listen to. The night also consists of a number of visual presentations. One of these is the Prep buddies passing on some very important advice to their Grade 6 buddies. Please click on the link below to view the presentation:

As a community we wish all our graduates all the best for their future. We look forward to hearing great things. Our school is always open and we love nothing better than a visit every now and then.

Grade 3 And 4 End Of Year Excursion Day

Yesterday the Students in Grades 3 and 4 had the opportunity to spend the day having a fun time in Mildura. They went to the Cinema for a private viewing of 'Encanto'. Lunch followed with pizza and hot chips at Jaycee park. The day finished with a swim at the Irymple pool. Not a bad way to finish the 2021 school year.

Prep-2 Fun Day

Yesterday the Prep, Grade 1 and Grade 2 students had the chance to have a fun day at school. They participated in class activities along with some water fun outside after lunch. During the day all the students had the chance to be involved in a session with Sarah from EnviroEDU. They learnt lots of things about our native animals and even had the chance to pat and hold some of them. What a great day!!!
