As part of the Red Cliffs Centenary celebrations we are holding an open day at school tomorrow from 11.30 to 1.30pm. We are inviting all past, present and future families to come along and spend some time at the school and in the classrooms. Classes will be open for parents/families to spend some time with their children. We will also have a small history display and some students work. You are encouraged to come along and spend some time with us. This is also a great opportunity for any future students (the Kinder has some information) to come along and experience our school.
A reminder that anyone entering the school buildings must be double vaccinated.

Birthdays: Benjamin Connolly.

Walk/Ride To School Day

Last Friday we had many students and families join in for our annual ride/walk to school day. The bike shed was once again filled . It would be great to see more students riding to school during the year.

Thank you to Bonney and the wonderful parents who provided the students with toasties, drinks and fruit for breakfast once they arrived at school.

These were the final numbers of students who either rode or walked to school. Well done to everyone who participated (we even stopped the bus at the stop and stride sign and invited the bus travellers to join us). They all did!!).

Prep: 12
1/2: 11
2: 16
3/4: 15
4/5: 15
5/6: 16
Total: 85
This equates to 65% of students

Cross Country

On Monday we conducted our annual school cross country. All students from Prep to Grade 6 competed over distances ranging from 250m to 3km.

It was wonderful to see all the students trying so hard and pushing themselves to finish.

Big thank you to Mr. Tuohy for all the organisation that goes into a day like this.
