Please Support Grade 4/5 Maths

The students in Grade 4/5 are asking our community for some help with their maths. The students are beginning an investigation into the diversity of our school community. They will investigate how many different cultures and family ethnic backgrounds make up our community. They have created a simple survey that will provide them with the information they need.

So, can you please complete it to support their learning.

Once the data has been collated, the students will be using the information to draw more attention to our diversity and celebrate our differences.

Student/Parent/Teacher Conferences

School Council this week approved *Friday 2nd August* as the date for our student/parent/teacher conferences. As we did last year, we will be conducting these meetings from 8.30am to 3.30pm. Therefore, this day will be a pupil free day except for the time that they will need to be at school for their conference with their teacher and parent.

First week back in Term 3 you will be able to book your conference time on COMPASS. Any issues please contact the office.

At the moment we are in the process of organising an Out of School Hours program for the day starting at 8.30am concluding at 2pm. More information will follow next week. The cost at the moment will be \$50 per child for the day (Childcare subsidy rebate will apply for those who are eligible).

Out Of School Hours Care

Good afternoon Families,

This week has been a busy one for After School Care. On Monday we had a Department Rep onsite who did our Assessment and Rating report. The outcome of this will take about 3 weeks. The planned activity for Monday afternoon was making slime. Whilst some children liked to get their hands right into the slime mixture, we had others feeling more comfortable in using gloves.

On Wednesday we had our "Bring the Dinosaurs to life" theme. We started the afternoon off with a Dinosaur scavenger hunt which was a big hit. We moved onto creating our Dinosaur masks and Dinosaur Bingo. Attending Children enjoyed the range of different activities and pretended to be Dinosaurs themselves.

Next week our theme Day will be held on Tuesday as the child who suggested this theme attends only on Tuesdays. Our theme for the afternoon session will be "Unicorns".

It is great to say and hear all the ideas that kids are suggesting for our theme afternoons. Please encourage your child to come forward should they wish for a specific theme so we can implement their interests.

Have a sensational weekend

Grade 3 And 4 Choir—Eisteddfod

Today the Grade 3/4 choir travelled into Mildura to compete in the Eisteddfod. The students did a wonderful job on stage.

Mrs. Judd and Ms Milne (accompanying on keyboard) have been working with the students in preparation for their performance. All the rehearsals certainly paid off with both songs performed beautifully.

Below is a copy of the feedback from the official adjudicator. A score of 81 out of 100 is a great score. Our students came 5th out of 6 schools.
