“Every Day Counts”

If your child is absent from school we must have a note, phone call or you can also enter the reason directly onto COMPASS to explain the absence. This is required by the Department for our records.

Assembly tomorrow will be run by the Grade 5/6 class at 2.45pm

Parent/Teacher/Student Interviews

This year we will be conducting Parent/Teacher/Student Interviews on **Thursday 27th February**. These interviews are designed for parents to meet with teachers and students for 15 minutes to discuss anything school related involving your child that you might wish to discuss.

These meetings are very important for both teachers, parents and students.

A timetable has been set up in COMPASS for you to choose a time that best suits.

The deadline for you to select an appropriate time is

Tuesday 25th February. If you have not selected a time by this date then one will be allocated to you.

If you are having problems accessing COMPASS, please contact the office and we can allocate an interview time for you.

Booking sheet is now live on COMPASS. Get in early to get the times you need!!

Students do not attend school that day except for their meeting time.

Bus Notes

Students planning on travelling by bus to and from school must complete the appropriate form. The forms were sent home today with students but are also available from the office. These must be returned ASAP in order for your child to travel by bus. These forms must be completed every year, even if your child travelled by bus last year and you completed a note last year.

If your child has not brought a note home or it has been misplaced, please ensure one has been collected from the office immediately. A time will come that unless the form has been completed and returned to school, your child will not be permitted on the bus.

We invite parents and family of our Prep students to come along and join the assembly to support the students.

Assembly starts at 2.45pm.

Resilience Project

This week the students will begin their weekly resilience project classes. The staff are really excited to start rolling out the learning. Lots of information will follow as we engage our community in this thinking and social/personal growth.

Have a think about this and chat with your family about what went well for you today.

Book Club

Book Club brochures were distributed to students this week. The due date is **Thursday 13th February**. Orders can be left at the Office or alternatively completed online using the instructions on the brochures. Scholastic offer incentives to students if the order is completed online. Red Cliffs East benefit from all orders and we receive a percentage of sales. We then choose popular books for the library that students love to read.

CSEF—Camps, Sports And Excursion Fund

The Camps, Sports and Excursions fund is available to anyone with a valid Health Care Card or are a temporary foster parent. The fund will enable the school to hold money for you at the school. You can then use this money for excursions, camps etc. All you need to do is let us know that you want us to use it.

If you applied for CSEF last year, you do not need to reapply.

You may need to reapply if your circumstances have changed since last year.

If you have a Health Care Card, please collect an application form from the office.

HOW TO APPLY

New applicants should contact the school office to obtain a CSEF application form or download from the website below.

If you applied for CSEF at your child's school last year, you do not need to complete an application form this year unless there has been a change in your family circumstances.

You only need to complete an application form if any of the following changes have occurred:

- **new student enrolments:** your child has started or changed schools this year.
- **changed family circumstances:** such as a change of custody, change of name, concession card number, or new siblings commencing this year.

Check with the school office if you are unsure

Out of School Hours Care

This week at After School Care we have provided the children with lots of different art and craft activities inside as the hot weather prevented us from outside play.

Children have engaged in pretend play with the costumes, barbie play, different wooden craft activities, board games, baking, technology time, blanket fort building as well as a treasure hunt. Next week's weather forecast looks to be a lot friendlier, and we are hopeful to be able to play more outside. Next Tuesday (18/2) we will provide the children with **a water play activity outside**. If your child is booked in, please ensure they have a change of clothes and a towel with you. Reminder text will go out the night before.

We are also running a **day program on the Parent/ teacher meeting day (27th of February)**. You can book your child in with the After-school care program and pick them up for their meeting and return them to the program afterwards.

The program on that day will run from 8.30am – 3.15pm. The cost for this day will be \$50 which is subsidised by CCS. Out of pocket expense for this day can be as little as \$7.25 per child.
