### “Every Day Counts”

If your child is absent from school we must have a note to explain the absence. This note is required by the Department for our records.

Assembly this week will be run by the Grade 1/2 class.  
The 1/2 classroom will be open to parents after assembly for half an hour.

### 2020 Prep Enrolments

We have been receiving steady enrolments for 2020 but there are still some siblings of current students who we have not heard from. If you are intending to enrol your child for 2020, please call into the office and collect an enrolment form at your earliest convenience. We do require an idea of numbers for next year for our planning.

Can you please let other families know who may also be looking to enrol their child.

SPRINGING INTO ACTION

## Students Of The Week

**Prep/1: Dami Cullen** for being a kind and caring classmate. Dami, this week your classmates have chosen you because they can see how hard you work during reading time and they wanted you to know how lucky they feel to have you in their class. They also wanted to tell you that you are a kind and caring classmate and thank you for being a great friend both in and out of the classroom. From your classmates in P/Grade 1.

**Grade 1/2: Isabella Bailey** for the amazing effort you gave this week for your Big Write Narrative. Isabella, during your planning you were organised and already one step ahead. You were also eager to keep adding more WOW words and detail to your planner. During Big Write time you were focused and made sure you gave your best effort. Fantastic narrative writing Isabella and keep up the great work.

**Grade 2/3: Krystal Lane** for working hard and being ready for learning. You have been coming to the floor quickly, showing you are ready to begin and making great choices during discussions. This is fantastic to see. Keep up the excellent work!

**Grade 3/4: Alex Hocking** for achieving your personal best this week. Alex, we have noticed you showing greater self-control and remaining on task for longer periods. In doing so you have been able to complete more set tasks in the allocated time. Well done on being a better version of yourself this week. Keep up the great work!

**Grade 5: Cameron Pappin** for the positive choices you have made in class this week. We have noticed you making a real effort in attempting all of your learning tasks and your positive attitude is reflected in the happy way you have approached the week. Keep up the great effort Cameron!

**Grade 6: Hannah Knight** for a great start at your new school. Hannah, we have noticed your positive attitude, your hard work ethic and the way you have made an effort to get to know other students. Welcome Hannah, we are so happy you have joined our team!

**Student Leader Award: Emma Ryan** for including others in her games. Emma, we have noticed you inviting others to play with you. We really like that you are inclusive and choose kind. Keep up the great effort Emma!

## Costume Donations

If anyone has any children's dress up costumes at home that are no longer being used by your child, we would love to have them donated for use in performing arts classes and also for spares on dress up days for those students who do not/can't dress up. Your children may have outgrown them or they may no longer be used. Either way we would love to have them at school for all our students.
